Summary: Multifaceted professional with 10+ years combining full stack development, offensive cybersecurity, and university teaching. MSc Cybersecurity (UCM, in progress). 13 published courses (8 Quarto), 2 scientific publications (1 citation), 200+ hours taught with 93.4/100 average evaluation.

Teaching Experience

ABACOM — Cybersecurity & Development Courses

Dec 2021 – Present

- Ethical Hacking, Python, Flutter, MicroPython, Linux Servers, Secure Development
- 200+ hours, 92+ students, average evaluation: 93.4/100
- Course creation: 8 Quarto courses published on GitHub Pages

Codings Academy — Development Instructor

Feb 2024 – Dec 2024

- Flutter, mobile development, UI/UX

APC — Programming & Networks Instructor

Sep 2013 – Dec 2022 (9 years)

- Programming, networks, hardware. 400+ students over 9 years

ESPE — Programming Instructor

Apr 2023 – Oct 2024

- Part-time instructor. Software development and programming

ISTJM — Technology Instructor

Oct 2020 – Mar 2022

- Hardware hacking, OpenWrt, networks

Scientific Research

- **Deep Learning Evaluation for ADHD and Asperger Detection in University Students** — Multidisciplinary Iberoamerican Research Journal, 2024 (1 citation)
- **CNN-based Student Attention Detection Model** — MSc Thesis, UTPL, 2021

Technical Skills

Frontend: React, Next.js, Flutter, TypeScript, HTML/CSS

Security: Pentesting, Bug Bounty, OWASP, Metasploit, Kali

Cloud: AWS, Azure, Vercel, Docker, CI/CD

Backend: Python, Django, Node.js, FastAPI, Express

ML/DL: PyTorch, TensorFlow, CNN, OpenCV, YOLO

Tools: Git, PostgreSQL, MongoDB, Redis, Quarto

Published Courses (13)

- **Quarto Books (8):** Dark Web, Cybersecurity, Python, Flutter, Ethical Hacking, MicroPython, Linux Servers, Secure Development
- **Bootcamps (4):** Fullstack, Mobile Flutter, AI Diploma, NVim Course
- **Labs:** Ethical Hacking Labs (Docker), Technical Challenges
- **Presentations:** AI Workshop, Dr. Doom Talk (FLISOL)

Education

- **MSc Cybersecurity** — Universidad Complutense de Madrid (2024–2027, in progress)
- **MSc Computer Science & Technology** — UTPL (2018–2021)
- **BSc Educational Informatics** — UNL (2007–2011)

Certifications

- AWS Solutions Architect (Active) | Azure Fundamentals (Active) | Docker Certified (Active)

Languages

- Spanish: native | English: intermediate
